

5 Reasons

to be a member of

Montana Nurses Association

- #1 Membership creates camaraderie and strength; it empowers RNs to use their voice to make a positive difference for their patients in the work environment.
- #2 MNA membership provides an avenue for nurses to be leaders in their careers.
- #3 MNA RNs have a unique opportunity to negotiate and ratify your local unit's contract. Contracts provide clear guidelines for your workplace, which provides for consistency and transparency.
- #4 MNA is a nurse-driven organization led by elected members from across Montana.
- #5 You have the power of the American Federation of Teachers-Nurses and Health Professionals (1.7 million union members) and the American Nurses Association (174,000 RNs and APRNs) behind you!

Ready to be involved with MNA? Contact info@mtnurses.org or your Labor Representative to get started.
