

Where Do Your Monthly Dues Go?

MNA Operations: \$36.13

Your dues support MNA operations by investing in staff and programs to provide:

- Representation through nursing practice and workplace advocacy
- Ongoing learning through Professional Development, continuing education, & national certification offerings
- Legislative advocacy and health policy input related to professional nursing practice

National Support: \$24.67

MNA partners with national affiliates like the American Nurses Association (ANA), which represents the interests of the nation's 4 million RNs and AFT Nurses & Health Professionals, which works to create safe & equitable working conditions for over 1.7 million members.

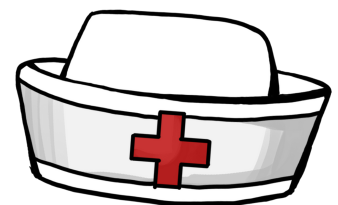

Local Unit Activities: \$1.00

Each month, a portion of membership dues is allocated to your collective bargaining unit. These monies are utilized under the sole direction of each local unit. Many local units invest in local union activities to include supporting members to attend collective bargaining conferences and negotiations and hold local union network gatherings.

District Activities: \$1.00

Each month, a portion of membership dues supports your colleagues in each MNA district sending delegates to MNA's annual convention and supporting district activities.

APRNs ONLY: Included in your membership dues above is also an American Association of Nurse Practitioner (AANP) membership. AANP is the largest and only full-service national professional membership organization for NPs of all specialties.

Monthly Total: \$62.80
